We are excited to introduce a new RV manufacturer to the Apollo & Star RV fleet for 2019. For many years our Canadian brand CanaDream, have proudly run a leading-edge fleet of Forest River C-Class RV's. This year we are introducing the fabulous "Forester" range into our fleet and we are super confident about the benefits this will offer to our guests.

Forest River is one of the largest RV manufacturers in North America and we are working closely with them to deliver the highest specification of units to four of our bespoke floor plans, from a 22ft model right up to the larger 33ft units.

We can't wait for you to experience this new product.

Our 2019 programme allows the first opportunity to experience these new units straight from the factory.
